

G. SEBASTIAN VERASTEGUI PEREZ

Portfolio: www.sebsverastegui.com || sebsverastegui@gmail.com

PROFESSIONAL PROFILE

Computer Engineer with experience in mobile app development for iOS and Android, utilizing Swift and Kotlin. Focused on creating high-performance, user-friendly mobile applications. Currently pursuing a certification in mobile development with projects managed in GitHub, demonstrating proficiency in version control and development best practices. Experience working in a high-tech environment at the Apple Lab at UNAM, collaborating with teams to deliver innovative solutions and enhance user experience. Passionate about building scalable apps with Core Data, Firebase, and UI/UX optimization. Certified in advanced English (C1) with strong technical and professional communication skills.

PROFESSIONAL EXPERIENCE

iOS and Android Application Development Certification, UNAM May 2024 - Jan 2025

- Mobile application development using Swift and Kotlin.
- Projects managed in GitHub with version control using Git.
- Familiar with RESTful APIs, web service integration, and automated testing.
- Final Project: Currently developing a native iOS and Android app using Swift and Kotlin, focusing on delivering high performance and seamless user experience across platforms.

Internship | Apple Lab, Faculty of Engineering, UNAM Jan 2023 - Dec 2023

- Collaborated on projects related to iOS app development, implementing innovative features and ensuring optimal performance.
- Participated in the design and development of solutions to improve user experience.
- Worked with Swift to implement new features and improve app efficiency.

EDUCATION

Bachelor's Degree in Computer Engineering | Universidad Nacional Autónoma de México (UNAM) Aug 2019 - Dec 2023

- GPA: 9.2
- Cisco Certified Network Associate (CCNA)

Advanced English Certification (C1) | Kaplan NYC Oct 2023 - Feb 2024

- C1 Advanced English certification, focusing on technical and professional communication.

TECHNICAL SKILLS

Programming Languages: Swift, Kotlin, Java, Objective-C

Frameworks and Libraries: Android SDK, iOS SDK, RxJava

Version Control: Git, GitHub

APIs and Web Services: RESTful APIs, JSON

Testing and QA: Automated testing, Debugging

Work Methodologies: Agile development, Scrum

LANGUAGES

Spanish: Native - **English:** Advanced (C1)
